# Creating specialised solutions for better business

---

In today's global economy, the internet is a critical part of business success.

Not only does it give companies a competitive edge, it enables them to conduct business anywhere, anytime - optimising their business capability and potential.

For more than 20 years, we've been providing specialised solutions to help organisations do business better. Our solutions:

- improve and streamline business processes
- create reliable and efficient communication channels
- make complex trading relationships easier
- reduce transaction costs
- enable you to reach more customers at lower cost
- help you outsource unprofitable, high-cost, and complex IT services
- pass on reduced costs as favourable pricing
- accelerate time to market by speeding up the trading cycle
- reduce errors in data entry by using electronic data (no more keying in) and automated validation processes.

## A range of services for a range of industries

---

Leadtec offers a range of services for the grocery, retail, automotive and healthcare industries.

These include:

- electronic document exchange – EDI messaging and data transformation
- electronic scanpacking – EDI orders and pallet labelling solutions
- maintaining and uploading product catalogues onto data pools, such as GS1net.

Our integration services allow companies to trade electronically with business partners by connecting with existing ERP systems and processes.

## **About Leadtec: Leader in business to business solutions**

---

Leadtec is a leading business to business solutions provider. Specialising in EDI messaging, catalogue synchronisation and scan packing/logistics, we offer simple solutions for vendors to connect to, and meet, the EDI messaging and scanpacking requirements of partners.

More than 1,000 businesses trust Leadtec to manage their e-commerce needs and boost efficiencies within the supply chain. By using proven methodologies to capture new trading relationships, we keep you ahead of your competitors and responsive to new market entrants.

Leadtec partners with industry specialists to offer premium products and services, resulting in reliable and certified solutions. We are the only Australian company to offer a full supply chain services suite.
